Foreword

Dear Teacher,

I trust you are well and continuing to prepare your students for a lifetime of success. At Oxford University Press East Africa (OUPEA) we are delighted at the opportunity to partner with you in improving the quality of teaching and learning in our schools.

We have continuously tailored our books to address the needs of both the pupils and the teachers, based on extensive research to deliver excellent learning.

On this note, we are excited to introduce to you our latest title; the *New Kamusi Sanifu ya Msingi* (hardcover). The Kamusi has more than 2000 headwords with refined definitions and example sentences for each, random grammar points and illustrations to ease understanding.

We have also revised:

- Kiswahili Sanifu series for class 6, 7 and 8.
- New Progressive Primary English Class 6, 7 & 8
- Living in Christ Class 6, 7 and 8.

In this **2017 Primary Price** List, you will find our array of books arranged per class per subject, right from ECDE to Class 8. For each class, the course books, Readers and reference books are listed per subject. There is also a section for the revision books, dictionaries and digital products.

This Primary Price List will come in handy as you select books for your pupils. Our books have been approved by the Kenya Institute of Curriculum Development, are listed in the Orange Book and are competitively priced.

All the titles in the Primary Price List are available from your local bookseller. For more information, kindly contact us on

Email: enq@oxford.co.ke or visit our website www.oxford.co.ke.

The Oxford Team wishes you all the best.

Yours truly,

Leslie Nteere,
